If we attempt to drop-off your dog(s) and no one is home, and no one is home at alternate location, client will be contacted by phone notifying them that their dog can be picked-up at the facility when the van returns. Our vans typically return back to the facility between 5 p.m. and 6 p.m. The drivers cannot wait for clients to return home and cannot wait at the facility if the owner is not there when the vans return. If owner is not there to pick-up their dog(s) the dog must stay overnight with a designated kamp employee and the owner will be charged an overnight fee of \$100.00 (per dog). Dog(s) must also attend daycare the following day and the client's current package will be deducted by 1 day. The dog can be picked up the following morning/afternoon during normal drop-off and pick-up hours or the dog(s) will be returned home during our normal drop-off van route and between 2 p.m. and 5 p.m.

I have read, understand and agree to abide by the policy set forth.
